DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The communication filed on 3/6/09 is not fully responsive to the Office communication mailed 1/6/09 for the reason(s) set forth on the attached Notice to Comply With the Sequence Rules or CRF Diskette Problem Report.

In addition, the communication filed on 3/6/09 in response to the restriction requirement mailed on 1/6/09 is not responsive. Applicant was required to elect a specific SEQ ID NO: and a specific molecular embodiment of the integer to identify a specific sequence for search as indicated in the restriction/election requirement mailed 1/6/09. However, instant claims are amended to recite a generic sequence formula (SEQ ID NO:5) without pointing to a sepecific sequence. Applicant also fails to elect a specific molecular embodiment for search. Thus, no search can be done.

Since the abbove mentioned reply appears to be bona fide, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY DAYS from the mailing date of this notice, which ever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER C.F.R. 1.136(a).

The addresses below are effective 5 June 2004. Please direct all replies to the United States Patent and Trademark Office via one (1) of the following:

1. Electronically submitted through EFS-Bio (<<http://www.uspto.gov/ebs/efs/downloads/documents.htm>>, EFS Submission User Manual - ePAVE)
